

The diagram illustrates a page layout with three concentric rectangular borders. The outermost border is blue, the middle one is magenta, and the innermost one is green and dashed. A horizontal red line and a vertical red line intersect at the center. The text ".125" Margin all around" is positioned at the intersection, with the horizontal red line extending to the magenta border and the vertical red line extending to the green border. The text ".125" Bleed" is located below the horizontal red line, centered between the magenta and blue borders.

.125" Margin all around
